Inflatable Sports Car

Essential for 3DS & Wii Racing Games

For use with Nintendo™ 3DS & Wii™

3DS-SC

3DS adapter fits inside the steering wheel which holds the Wii Remote

Use with 3DS or Wii

Inflatable Sports Kart for 3DS & Wii

Get in the driver's seat and hold on to the steering wheel as you drift around corners and race into first place on your Nintendo 3DS or Wii. Now you can maneuver through obstacles and speed through racetracks on either system with this Inflatable Sports Kart from CTA Digital. Racers can choose between steering with their Wii console remotes or use the 3DS adapter to cruise through handheld games like Mario Kart 7 with motion control on their 3DS. The soft and comfortable seat supports a child up to 230 lbs. and drivers of all ages will enjoy playing their favorite motion controlled racing game riding in this fun sports kart. The kart is also very easy to set up, just pull out and pop open the air valves around the car and inflate each section with the included foot pump. Hop in your car and go!

Features include:

- Comfortable seat
- Strong and durable
- Safe for Children
